CLASS DESCRIPTIONS (All Fitness Levels Unless Otherwise Noted)

GROUP FITNESS

Ab Lab: Abdominals, obliques and lower back isolation.

BARRE: A ballet barre inspired workout that will transform your body. Incorporates athletic isometric training and exercises performed in small, controlled movements to muscle fatigue which results in a long, lean, shapely physique. All levels welcome. Barefoot format, but shoes optional. This class is in 'warm' environment. Bring water and a towel.

Boot Camp: A 60 minute functional total body workout. Class format varies weekly incorporating cardio, weights, balance, push ups, core, lunges, speed and agility. (Please visit with your Boot Camp Instructor prior to class if you are a new participant and/or have injuries/limitations that may require modifications)

Cardio Blast: A fat burning, cardiovascular workout. No complicated choreography to follow just formats to keep you moving.

Cardio Kick: An interval workout incorporating lower body kicks & squats, upper body punches and strength conditioning using weights or bands.

Cardio MashUP: The ultimate "MashUP" of a cardiovascular workout. Combinations of High/Low impact moves, mixed level intensity and variety of cardio formats is guaranteed to get you sweating, your heart pumping and blasting calories for a stronger, fitter, better you.

Cardio Salsa: A group fitness cardio dance class utilizing salsa moves as well as other latin and world beats.

Circuit Challenge: Maximize your effort with a total body workout incorporating cardio, body sculpting, and core conditioning in fun ever-changing intervals.

Fit Ball: Total body conditioning using the Fitness Ball with emphasis on core strength training.

Fit 2 Move: Have fun in this class geared for Seniors to increase mobility, health & toning.

Full Body Workout: A 60 minute full body workout which combines sculpting with muscle endurance and cardio. Can be modified to fit all fitness levels.

Intervals: An active cardio class alternating floor and the step to challenge your workout.

Muscle Hour: Non-aerobic isolated strengthening work using a variety of resistance equipment. Toning and shaping the entire body.

Muscle Step: A cardiovascular workout using slow controlled movements while simultaneously using handheld weights (optional) for a full body workout.

Power Flex: The 1 hour total body barbell workout you do not want to miss. Improve body tone, muscle definition, strength and endurance.

Power Sculpt: a total body conditioning class using free weights, bars, bands & high reps to challenge you while utilizing all of the major muscle groups of the upper and lower body.

REBEL Bootcamp: A strength, core and cardio conditioning class combining proper muscle strengthening methods with cardio bursts, based on kickboxing and endurance building techniques, all set to a hard rockin' soundtrack.

REPS (Resistance-Endurance-Power-Strength): This hour of power is an intense endurance workout using a variety of resistance equipment to increase your muscular strength, enhance your core and cardiovascular fitness.

TABATA! This calorie-torching cardio and sculpting workout alternates between 20 seconds of intense bursts of work and 10 seconds of rest in four-minute rounds. Bring water and a towel - and get ready to sweat, tone, and burn!

Ultimate Intervals: Burn mega calories in this high intensity cardio intervals class that's interspersed with functional strength exercises

Waist Up!: Sculpt and condition arms, chest, back and core. Everything from the waist up!

Zumba: A dance class that fuses hypnotic Latin & international musical rhythms & tantalizing moves to create a dynamic workout that is fun & easy to do.

20:20:20: A full body workout consisting of 20 minutes cardio, 20 minutes strength training and 20 minutes of core conditioning.

MIND & BODY:

Beginning Yoga: Learn the foundational yoga poses with attention to breath, alignment and safety. Builds strength and flexibility while developing therapeutic and relaxation methods to release stress in the mind and body.

Pilates Mat: A total mind-body conditioning program designed to improve posture, flexibility, core strength and stability.

POWER YOGA: Active, athletic and sporty flow/vinyasa flow style of yoga. A series of poses (asanas) with an emphasis on building strength and endurance.

Yoga: A fresh exploration for the physical, mental and spiritual body through the practice of yoga postures & breathing techniques to transform mind and body. Develop and maintain strength, flexibility and balance for health and well-being. Multi Level. (Please let your instructor know if you are new to/newly returning to a Yoga practice.)
