# JCC Summer Camps

## JUNE 6<sup>TH</sup>-JULY 29<sup>TH</sup>, 2022

A high quality summer camp experience is an investment in your child that lasts a lifetime. For nearly two decades, JCC Summer Camp and Aquatics programs have set a standard of excellence—creating memories, forging friendships, teaching life skills, building self-confidence, and providing weeks of pure fun for kids. JCC's outstanding facilities, terrific activities, and supportive counselors create a perfect setting for children to flourish. JCC Camp Director, Matt Westerlund, returns for his 13<sup>th</sup> year and has planned exciting summer programs for children ages 5–15. JCC is open to the entire community. **Our camps fill quickly, so register now!** Sign up for a JCC membership to take full advantage of the facility and member discounts. We look forward to playing, learning, laughing, and growing with your family this summer!

Sincerely,  
Matt Westerlund, JCC Camp Director

## 2022 JCC Camp Chai

**Camp Chai** JUNE 6 - JULY 29, 2022

Session 1-4: (per 2 week session) \$440 member / \$565 non-member 9am - 4pm; Ages 5-13

10% Early Bird discount 2/27 - 3/13

The safety and health of campers is of an increased focus this summer, as we aim to adapt to the everchanging conditions of a COVID environment while still retaining the traditions and identity that have made our summer day camp so unique. Campers participate in a variety of daily activities, including structured and elective time periods, taught by specialists in their areas of expertise, to create their own unique summer experience. During each two-week session, campers participate in a variety of different classes and activities as part of their structured periods which include: daily swim lessons and recreational swim time, art, dance, martial arts, social studies, outdoor education, science, Israeli culture, creative writing, movie making, gymnastics, digital media, performing arts, sports, and others (depending on the Camp Chai session). Themed weeks, special events, field and camp spirit days, and other events are part of all sessions. Before and after care services are available from 7:00-9:00AM and 4:00-6:00PM.

# Specialty Camps

## Science Camp: "Let's Get a Reaction"

Monday through Friday, August 1st-5th, 2022 \$325 member / \$435 non-member, Ages: 6-13

10% Early Bird discount 2/27 - 3/13

Our world is a continuum of reactions, electrical, chemical, in food, in nature, and in you... they're everywhere. With a focus within the areas of biology, ecology, geology, and chemistry, participants will learn about the beauty and magnificence of the many transformations around us through hands-on demonstrations, experiments in the classroom and in the field, classroom discussions and presentations, data collection and analysis, and even field trips to locations around Albuquerque and the surrounding areas. In addition to the science content, campers will have the opportunity to enjoy the amenities of the JCC with daily swimming and recreational activities throughout this 5-day camp. Campers will need to bring athletic shoes, bathing suit, towel, and lunch, daily.

## LEGO® Robotics & Intro to Drones Camp

Tuesday through Saturday, May 31st-June 4th, 2022 \$325 member / \$435 non-member

10% Early Bird discount 2/27 - 3/13

During this 5-day camp, participants will investigate the fundamentals of designing, constructing, and bringing their own robots to life with LEGO® bricks, motors, gears, and many other electronic devices, as well as learning the fundamental operations of drones. Campers will learn about mechanical and software design, engineering principles, physics, and exploring their imagination through the LEGO® Mindstorms NXT system, in addition to learning how to maintain, fly, and understand the science behind flying drones, all while developing problem solving skills in both individual and small group activities (with a final competition and celebration held on Saturday, June 4th, 2022). All materials are provided, just bring your creativity and an open mind to join in the fun! In addition to the robotics and drone fun, campers will have the opportunity to enjoy the amenities of the JCC with daily swimming throughout this 5-day camp. Campers will need to bring athletic shoes, bathing suit, towel, and lunch, daily.

## Intermediate Drones & Design Camp

Monday through Friday, August 1st-5th, 2022 \$325 member/\$435 non-member

10% Early Bird discount 2/27 - 3/13

During this 5-day camp, participants will delve deeper into technical operation of drones in a variety of different daily, and week-long, challenges aimed at increasing competencies with drone flight, as well as working to problem solve potential real-life scenarios (but in a fun, small-group environment). All materials are provided for this camp for individuals entering 3rd grade and older. In addition to the drone and design fun, campers will have the opportunity to enjoy the amenities of the JCC with daily swimming throughout this 5-day camp. Campers will need to bring athletic shoes, bathing suit, towel, and lunch, daily.

## Art Specialty Camp

**Session 1 (4-days): Tuesday through Friday, May 31st-June 3rd, 2022 \$245 member / \$285 non-member**

**Session 2 (5-days): Monday through Friday, August 1st-5th, 2022 \$305 member / \$355 non-member**

*10% Early Bird discount 2/27 - 3/13*

Art camp is a great opportunity for young artists to spend an entire, fun packed week immersed in art making! Fun, creative themes will be woven into a full day of clay, two days of 2-D multi-media projects (drawing, painting, collage), and a day of 3-D recycled art. August camp will spend an awesome afternoon at the Art Museum! On the final afternoon, an art exhibit has become a tradition of this camp as parents and family will be invited to view the artistic creations of the week. Projects will vary between May camp and August camp. In addition to the art content, campers will have the opportunity to enjoy the amenities of the JCC with daily swimming throughout this 5-day camp. Campers will need to bring athletic shoes, bathing suit, towel, and lunch, daily.

# Israeli Shlichim (Ambassador) Program

The aim of the Summer Shlichim Program is to send qualified, professional staff from Israel to add a uniquely Jewish, and personal Israeli dimension, to Camp Chai. Shlichim are mature, educated young adults who have completed army or national service and are experienced in the areas of formal and informal education as counselors, teachers, and youth or child care workers. Shlichim possess leadership, as well as other skills and talents that make them highly motivated and dynamic role models to be working with our campers and staff.

Camp Chai is very fortunate to be able to offer such a great experience for our campers this summer, as we will be welcoming two Summer Schlichim to camp who will specialize in Israeli Culture and theater and dance. **The JCC is looking for families to host our two camp Schlichim counselors from Israel for a couple of weeks during the summer.** This is a great way to bring an incredible cultural experience into you home for your campers and family.
